STAT

September 19, 1972

Dear Dick:

I hate to trouble you with this detail but it has to do with an interview that I gave some time ago at the request of Dr. J. B. Frantz, Director of the Oral History Project of the LBJ Library.

What I must know from you is the extent to which this interview should be classified and for what period. Really, Dick, there is not much to it but there are a few remarks about student congresses, John Richardson and one or two other matters that should be looked over by someone in your organization and then advise me what restriction I should put on the release.

Don't bother about this yourself. Pass it on down to somebody for handling.

Best regards,

Sincerely
